Dighton-Rehoboth Regional High School

North Dighton, MA 02764

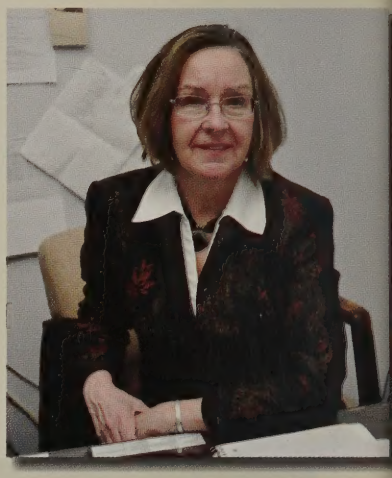
Dr. Kathleen Montagano, Superintendent

To the Class of 2012,

As you graduate, "I hope your dreams take you to the corners of your smiles, to the highest of your hopes, to the windows of your opportunities, and to the most special places your heart has ever known (author unknown)." Best wishes for a bright and successful future!

Sincerely,
Dr. Montagano

Ms. Gail Van Buren, Principal



"Life is not easy for any of us. But what of that? We must have perseverance and, above all, confidence in ourselves. We must believe that we are gifted for something, and that this thing, at whatever cost, must be attained."-Marie Curie

Dear Class of 2012,

Your diploma reflects our belief that you will reach your next, greater, level of achievement. Congratulations to you, your families, and all of your many friends and supporters!
We have watched you grow into young adults and are quite aware that many of you have struggled and juggled many responsibilities during the past four years of high school including academics, jobs, athletics, extra-curricular activities, community service commitments and certainly family and personal challenges. You have made all of us so very proud with your many skills and strength of character as well as your determination to attain your many goals. Continue to maintain the balance between your obligations and responsibilities while pursuing the joys of your new life experiences. Remember the values established by your family and community that we have nurtured here at school. We do believe you are truly gifted for a special role in this world that indeed with "perseverance and, above all, confidence… must be attained".

Sincerely,

Ms. Van Buren

Dr. Jennifer Wordell, Assistant Superintendent

Congratulations on all of your hard work and successes. We wish you the very best in all you do, and we believe in you! As you continue on your journey, remember to be true to yourself, and remember the words of Martin Luther King: "The hope of a secure and livable world lies with disciplined nonconformists who are dedicated to justice, peace, and brotherhood."

Mr. Michael Rubin, Assistant Principal

To the Class of 2012:

As the four-year journey of high school ends, you leave Dighton-Rehoboth wiser, brighter, and more mature than you were in the fall of 2008 when you walked in as unassuming freshmen. Indeed, it is ironic that you wait four years counting down to graduation, only to spend a lifetime waxing nostalgic about high school!

It has been a privilege watching you grow and etch your place in the history books of Dighton-Rehoboth Regional High School, and you will move on from here to accomplish many successes. I trust that you will take what you have learned from your teachers, administrators, coaches, advisors, friends, and experiences into the world and achieve greatness. Indeed, there is much for you to be excited about and proud of.

The fireworks begin with graduation. Each diploma is a lighted match. Each one of you is a fuse. Best wishes and congratulations.

Sincerely,

Mike Rubin

Mr. Kevin Braga, Assistant Principal

Congratulations on earning your high school diploma at Dighton-Rehoboth Regional High School. This is just the first of many achievements in your pathway to a successful life in adulthood. We have witnessed your growth each year, and we wish you the best of luck in your next endeavor. Continue to make us proud!

Ms. Deborah Sarrey, Director of Guidance

Best wishes to the Class of 2012!

"An educational system isn't worth a great deal if it teaches young people how to make a living but doesn't teach them how to make a life."

Dighton-Rehoboth Retirees

The students and staff at Dighton-Rehoboth Regional High School would like to thank Mr. David Driscoll, Mrs. Louise Mahoney, and Mr. William Wade for their years of service and dedication to the communities of Dighton and Rehoboth. You have motivated, inspired, and touched the lives of many during your careers!

"The purpose of retirement is not simply to exist, to simply survive, but to evaluate oneself in life, to have purpose, to achieve, and to conquer new horizons." -Dave Erhard

Mr. David Driscoll

Congratulations to the Class of 2012. It has been a pleasure to have taught you as students in history class and coached you as players on the football and softball fields. Your steady growth and development, from unsure, awkward freshmen has resulted in a graduating class of confident and polished young adults. Continue to broaden your horizons and reach for your dreams. Good fortune embraces those who dare. In my 34 years at D-R, I have worked with many outstanding professionals, gifted and challenged students and extremely dedicated athletes. This memorable odyssey has enriched my life. Best wishes to the Class of 2012. You are something!

Mrs. Louise Mahoney

I am so very happy that I chose teaching French as my career and especially happy that I have spent the last 33 years here at D-R doing just that. As a class, you have made the last four years of my career here at D-R very special. My warmest wishes for health and happiness go out to the Class of 2012! Bonne Chance!

This young team improved significantly over the season. By season's end, eight boys were under 19 minutes for 5k and 15 boys were under 20:30 for 5k state qualifier Ty Enos emerged as one of the best sophmores in the region and sports a personal best of 16:28 for 5k and a course record on the Bourne Course. Although we finished only 3-4, youth was a major factor in that and next year we will be one of the regions best teams if runners commit to summer training fully.

The Girls Cross Country Team exceeded expectations with a 5-2 record in the SCC. Morgan Zabinski lost only one race for the Falcons, winning tight races against Bourne, Voke Tech, and Seekonk to lead team victories. Danielle Cote provided a tremendous work ethic and sophomore Aleigha Correia stepped up big when the team needed her most. Once again, the team must commit to running year round in order to reach the next level.

Led by senior captains, Emma Klinkhamer and Suzie Newman the team improved greatly over the course of the season and made it tough on their opponents night after night. Big wins over rival Seekonk highlighted the Falcons' season. With eight seniors graduating, the Falcons will look to build on their progress from last season with a young team.

Despite the strongest and most talented SCC in many years, the Falcons were highly competitive in an exciting season and finished with an impressive 12-4 record and a second-place finish, 15-7 overall, including a 63-60 tournament win over league rival Old Rochester and a narrow 56-53 loss at top-seeded Wareham in the quarterfinal round. The Falcons were led by all-SCC selections senior captain Dylan Barbosa (16.7 ppg, 8.6 rpg, 966 career points) and junior Ryan Walsh (18.8 ppg, 50% fg and 87% ft). Honorable mention selections senior captain Derek Pinto (10.2 ppg, 6.3 rpg) and junior Keith Mikkelson (7.9 ppg, 7.1 rpg) also had outstanding seasons. For the season, the Falcons shot an impressive 44% from the field, 37% from the 3 point line, and 69% from the free-throw line while holding opponents 37% shooting. Despite being undersized on the front line, the Falcons finished the season even in team rebounding with their opponents. Three of the team's seven losses came at the hands of 24-1, South Sectional Champion, Wareham: the last two tames with them were tied with 3:50 and 2:20 to play. Two of the other losses were in overtime and at the buzzer!

Yearbook Editor: Sheridan Kimball

Congratulations to the class of 2012! We did it guys! As cliche as it sounded when we were freshmen, our four years at Dighton-Rehoboth Regional High School really did "fly' right by." Personally when I look back through the years, I still cannot believe all of the changes that have taken place in my life. Whether for better or for worse though, change is good and I have learned so much. I was lucky enough to discover I wanted to work with children for my career path at high school, and being able to put what I learned into practice through the vocational program was the most beneficial decision I have made in a long time. Although I am going to miss high school, I am excited to pursue Early Childhood Education at Wheelock college in Boston, in the fall. I hope in our new endeavors we will all be quick to listen and slow to speak. Just remember we all have so much to learn, but never be afraid to express an idea or state your opinion. Although I was never best of friends with everyone in high school, I am so happy I was given the chance to get to know so many of my classmates. I am positive we all have bright and wonderful futures ahead of us, and remember nothing is too far out of reach.

"Whatever you do, don't congratulate yourself too much, or berate yourself either. Your choices are half chance, and so are everybody else's."
-Baz Luhrmann

On a personal note,

I would like to thank my family for always encouraging me to do my best and showing me it was o.k. to express myself and be who I am. To my close friends, you guys are the best! Thank you so much for always being there for me, and goofing off with me when I couldn't stop laughing. Also, I hope you all love your yearbooks! The whole yearbook staff really put in so much work and extra time into making it special for everyone! I truly wish us all happiness and success for the future. Just don't forget...this is only the beginning, live your life beautifully.

Love,
Sheridan Kimball (:
